

To become a seller on quick commerce platforms in India, such as Blinkit or other platform, you'll typically need to provide the following documents and details:

1. Business Registration Documents:

- **GST Registration Certificate:** Mandatory for tax purposes.
- **FSSAI License:** Required if you're selling food products.
- **Trade License:** Authorizes you to operate your business legally.
- **Other Licences**

2. Personal Identification:

- **PAN Card:** Serves as a unique identifier for financial transactions.

3. Bank Account Details:

- **Account Number and IFSC Code:** For payment processing.

4. Product Information:

- **Product Categories:** Details about the types of products you intend to sell, ensuring they align with the platform's offerings.

5. Contact Information:

- **Business Address:** Physical location of your business operations.
- **Email and Phone Number:** This is for communication and verification purposes.

6. Business Info

- **Business Bio**
- **Social media link**
- **Contact details**
- **Logo**
